RE: One Return Receipt Requests (S/N: 09/681524)

From Last Friday, I call you several times, but you were not in the office. One copy of Return Receipt S/N 09/681524 had lost in your last fax. I think the fax data should be in USPTO, for I has checked my phone bill list, at the date September 14 PM 08:33:49 – 08:45:28, it indicated the transmission is no problem, and my Fax transmission record indicated the status is successful. Therefore, I would like to ask you to check it to the warehouse again. Thank you for your help.

Looking forward to receiving your early reply.

Sincerely yours,

Roger W.T. Lee
